

## **National Service Scheme**

The National Service Scheme (NSS) is a Central Sector Scheme of the Government of India under the Ministry of Youth Affairs & Sports. The primary aim of the NSS is to provide hands-on experience to young students in delivering community service. It offers students the opportunity to actively participate in various government-led community service activities and programmes. Smt. Rama Chopra S.D. Kanya Mahavidyalaya, Pathankot, offers a student-centered NSS programme under the supervision of the Nodal Officer, Ms. Sonali. Various activities are undertaken by NSS volunteers in close collaboration with the community. More than 100 students actively participate in social reconstruction work through education and awareness initiatives. Tree plantation drives are organized to promote environmental awareness and sustainability. Important social issues such as female foeticide, drug addiction, and the harmful use of polythene are addressed by students through awareness campaigns and street plays, fostering positive social change in society.
